Thursday, July 27, 2023

DATE & LOCATION

Thursday, July 27, 2023
Hawaiian Cement Halawa
99-1300 Halawa Valley Street
Aiea, Hawaii, 96701

SCHEDULE & RSVP REQUIRED

First tour – 9:00a.m.
Second tour – 11:00 a.m.
PRE-REGISTRATION is required at
lisa.masonryhawaii@gmail.com.
Seating is limited to 15 per tour.
No more than 2 per company
please.

INVITATION & COST

You're invited to the Hawaiian Cement Plant Tour. This tour is being provided to qualified design personnel, construction professionals and stakeholders for free. A bento and beverage will be provided.

EDUCATION

Learn the many components, intricacies and multiple steps in creating concrete at the plant in Halawa. Each guided tour will be one hour on the expansive property in A/C passenger vans.

WHAT TO BRING

For your safety, please bring a hard hat, a bright vest and wear comfortable, covered shoes. Please inform Lisa if you do not have a hard hat and vest and it will be provided for you.
