HC&D PLANT & QUARRY TOUR

Thursday, May 30, 2024

We are excited to present a customized plant and quarry tour available at two distinct locations. Attendees have the option to begin either at the Kapaa Quarry or the Sand Island Ready-Mix Plant, and then transition to the second location for the continuation of the tour.

DATE & LOCATION

Thursday, May 30, 2024

HC & D Oahu

2344 Pahounui Drive (off Sand Island)

Honolulu, Hawaii 96819

HC & D Kapaa Quarry

26 Kapaa Quarry Place

Kailua, Hawaii, 96734

SCHEDULE & RSVP REQUIRED

8:00 a.m. *(See Schedule on Page 2)*

PRE-REGISTRATION is required at

lisa.masonryhawaii@gmail.com.

Seating is limited to 10 per group. No more than 2 per company please.

Select One:

1. Start at Kapaa Quarry
2. Start at Sand Island Ready-Mix Plant

NO COST & LUNCH INCLUDED

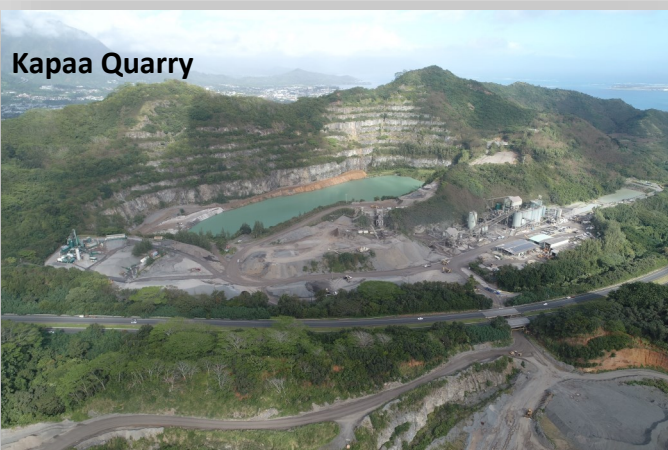

This tour is being provided to qualified design personnel, construction professionals and stakeholders for free. A bento and beverage will be provided.

EDUCATION

Tour the facility to learn the process to batch the Ready-Mix concrete and visit the quarry where aggregates are produced. Meet and visit each department personnel involved from pricing, ordering and batching.

WHAT TO BRING FOR YOUR SAFETY

Please bring a hard hat, safety glasses, a bright safety vest and wear comfortable, covered shoes. Please inform Lisa if you do not have these
