Please return the application to Lisa Kim, MIH Director at [lisa.masonryhawaii@gmail.com](mailto:lisa.masonryhawaii@gmail.com) by Monday, January 15, 2024.

Supporting materials are due by Monday, January 29, 2024.

**MASONRY INSTITUTE OF HAWAII**  
**Project Information Sheet, Visuals and Criteria Points**

**Project Information Sheet**

Please provide a written narrative of the project at a maximum of 1,250 words that reviews all significant architectural, engineering and construction aspects of the project. Please address the six criteria points below.

**Project Visuals**

Please provide photos of the project to be used for publicity purposes in a JPEG format.

**Criteria Points**

I. Brief description of the project including the best use of masonry for the project. The description should include why masonry was selected for the project.

II. Design Innovations. The description should include new and innovative application of technology, design, materials and process/methods of the project.

III. Resourcefulness in Planning and Solving Design Challenges. Provide the complexity of a problem or situation and how the issue was addressed. Briefly describe the creativity used in the solution.

IV. Project Planning and Delivery. Provide the budget and schedule for the project as well as contributions to the people and community, including aesthetic value.

V. Safety Performance. Describe how the safety awareness was addressed during the construction of the project. Describe the overall safety performance of the project.

VI. Sustainability Considerations. Describe the environmental, social and economic decisions that were addressed during the design of the project.

All items listed above are due by **Monday, January 29, 2024.**

The Masonry Institute of Hawaii Project of the Year Award recognizes a project that has been constructed in Hawaii using local contractors and workers. The Project of the Year is open to masonry and concrete projects of all types and sizes that have been substantially completed and in use within two (2) calendar years prior to the nomination.
